RE: HEARING APPLICATION  
HOSS SUFF  
CV RA SUE  
Logansport Field  
DeSoto Parish, Louisiana  
Our File No. 230593.0116

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Zone and the Cotton Valley Formation, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, LLC - N.T. Powell, Jr. No. 2 Well, at the location shown on the plat attached hereto, as an alternate unit well for HOSS SUFF and a substitute unit well for CV RA SUE, in exception to the well spacing provisions of Office of Conservation Order No. 28-S-4, effective July 22, 1981.
2. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, LLC - Spraggins No. 1 - Alt. Well, at the location shown on the plat attached hereto, as an alternate unit well for CV RA SUE, in exception to the well location provisions of Office of Conservation Order No. 28-W, effective April 22, 1980.
3. To explicitly find that the proposed alternate and substitute unit wells are necessary to drain a portion of the Hosston Zone and the Cotton Valley Formation, Reservoir A in the Logansport Field underlying HOSS SUFF and CV RA SUE, which cannot be efficiently and economically drained by any existing well in such unit.
4. To authorize the downhole combination of production from the Hosston Zone and the Cotton Valley Formation, Reservoir A, in the wellbore of any well drilled on HOSS SUFF and CV RA SUE, in the Logansport Field, DeSoto Parish, Louisiana.
5. To explicitly find that said downhole combination of production is in the interest of conservation, will prevent waste and will maximize the efficient and economic recovery of

gas and condensate from such zones and reservoirs.

6. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston Zone, in the Logansport Field, DeSoto Parish, Louisiana, was redefined in Office of Conservation Order No. 28-S, effective April 21, 1970.

The Cotton Valley Formation, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, was defined in Office of Conservation Order No. 28-W, effective April 22, 1980.
